The Levine Academy Parent Association is here to get you connected! We assist our school community through social and service opportunities. The PA raises funds for special school projects and programs, coordinates volunteers, creates social opportunities for our parents and much more.

Annual membership to the Levine Academy PA is only \$36. All families that join the Parent Association will receive one complimentary copy of the directory. The directory includes contact information of all families, class listings, teacher and staff voicemail extensions, abbreviated school calendar and board information for both the Parent Association and the school.

Volunteering is easy, and it is the best way to get involved. **Book Fair, School Pride, Room Parents, Gala and Chanukah Carnival**—these are just a few of the many committees that PA coordinates. For a full listing of all PA committees and to register:

1. Go to <http://theschoolvolunteer.org>
2. Scroll down to Ann and Nate Levine Academy
3. Enter
4. Click “New Volunteer” to set up your account
5. Click the “Join Committees” tab
6. Click on the division of the school your child will be in for 2009-2010.
7. Check all of the committees you would like to join, then hit submit at the bottom.
